Our Mission

The mission of Boys & Girls Clubs of Hawaii is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

The after-school hours have become a critical time for youth – a time when many children in our communities are left to fend for themselves without positive adult supervision. We provide a safe place filled with hope and opportunity, ongoing relationships with caring adult mentors, and enriching programs.

Our Vision

Our vision is to provide a world class Club-Experience that assures success is within reach of every young person who walks through our doors, with all members on track to graduate from high school with a plan for the future and demonstrating good character and citizenship while living a healthy lifestyle.

Dear Valued Supporters and Beloved Community,

In 2022, we've witnessed a positive shift thanks to the Aloha spirit that united us during ongoing global challenges.

As families confronted escalating adversities, our deep-rooted relationships within the community allowed us to stand tall as a trusted resource. The Boys & Girls Club of Hawaii remained steadfast, offering safe spaces, compassionate mentors, and empowering youth development programs for thousands of youth and teens who depend on our Clubs.

Over recent years, our Clubs have evolved into the safest places for youth to go when they are not in school, providing hope and opportunity during the hardest of times. My deepest gratitude goes out to our partners, donors, community leaders, and fellow organizations for their generous outpouring of Aloha and commitment to the youth and families of Oahu and Kauai. Your dedication has been a source of hope that has enabled our Clubs to thrive, providing crucial support during a trying time for all of us.

In the spirit of LŌKAHI – building new connections, rebuilding, and strengthening current connections, our Boys & Girls Club of Hawaii came together with our communities in unity. LŌKAHI, often understood as "unity," is to be connected, to recognize that we are all part of one whole universe since the beginning of time. Auntie Pilahi's teachings, passed down to Uncle Pono, emphasize that to be "lōkahi" is to be connected and to understand how we are intricately linked to everything around us.

I invite you to share in our story of Aloha and LŌKAHI by exploring our 2022 Annual Report. Your heroic contributions and support continue to empower our mission to enable all young people, especially those who need us most, to be productive, caring, responsible citizens

Mahalo for giving our youth the tools they need to rise above their circumstances.

With deep appreciation and warm Aloha,

Paddy Kauhane
President & CEO
Boys & Girls Club of Hawaii

ADDITIONALLY

2,460 youth enrolled in a BGCH Clubhouse in 2022

1,177 additional youth served through outreach programs

$25 is the cost of annual membership for under 12

$10 is the cost of annual membership teens

$1600 is the minimum cost of providing services to one youth for a year

113,454
meals and snacks distributed

Club PROGRAMS

We focus on five essential program areas:

Character & Leadership Development

Club members have the opportunity to develop leadership skills in many ways, such as serving as a junior leader, peer mentor, committee officer, or working with adults in the community to give back.

Members are invited to participate in the Torch Club, Leaders-In-Training, and the Youth of the Year Program.

Education & Career Development

Our skilled and caring staff provide the guidance and encouragement that young people need to graduate from high school with a plan for the future.

Some of the key program offerings include: Project Learn, Power Hour (homework support), Tutoring, STEM Enrichment, Money Matters, and College Prep.

Health & Life Skills

Every day at the Club, we provide fun engaging fitness activities, and competitive sports to get Club members excited about leading a healthy lifestyle.

Sports, Fitness, & Recreation

All year long, Club members can participate in a wide variety of sports, including basketball, volleyball, soccer, baseball, flag football, and more.

At our Clubs, we provide high-quality programs and support services that allow Club members to leave us at age 18 "ready for life".

Arts & Culture

Members engage in a wide variety of arts-based activities from music and dance, to visual arts and creative writing.

Each Club has space for visual, performing and music arts where children are encouraged to express themselves, develop new skills and talents, and expand their individual creativity.

> *I participated in Torch Club & Mentoring and through both of those programs, I was super grateful to just have someone to talk to".*

Youth of the Year

2022

For 75 years, the Youth of the Year program has honored and celebrated the nation's most inspiring teens and their incredible journeys. Stories of outstanding leadership, service, academic excellence and dedication to living a healthy lifestyle have made Youth of the Year America's premier leadership and recognition program for teens. These amazing young people represent the voice and spirit of hope for America. Inspiring all kids to lead. To succeed. To inspire.

Selected from several outstanding Boys & Girls Club of Hawaii(BGCH) youth on O' ahu and Kaua`i, Isabella S., a senior at Sacred Hearts Academy and member of the Charles C. Spalding Honolulu Clubhouse has been named the Boys & Girls Club of Hawaii 2022 Youth of the Year.

Robó-Rangers

ROBOTICS TEAM

Boys & Girls Club of Hawaii's Robotics Team, Robo-Rangers, won 1st place Hawaii State champion, and 1st place for Robot Performance at the 2022 First Lego League (FLL) Hawaii State Championship February 26th 2022, with the highest score of 445 points.

The team's project was incredibly innovative and focuses on altered energy source to fuel container ships. Through discussions with PASHA employees, the Robo-Rangers had an opportunity to discuss the feasibility of their project and how their innovation could be retrofitted onto the ships.

The Robo-Rangers began their journey with support from Punahou School and the OBOTS, a team of accomplished robotics senior students, who started a non-profit foundation to raise funds and help provide opportunities for youth from diverse backgrounds. The OBOTS brought the concept and resources to BGCH and paid for all expenses related to the team and projects. Along with their adult support team, the OBOTS taught the concepts of robotics, including design, programming, execution, missions, public performance and presentations, and public speaking to the Robo-Rangers. Remarkably the youth from BGCH gained these skills virtually due to restrictions brought on by the COVID-19 pandemic.

What's Next
PROGRAM

Created in 2020, as the pandemic highlighted inequities in the communities BGCH serves, the What's Next Initiative is a five year cohort based, case management program which takes 8th grade teens and mentors them in cohorts through to on-time graduation from high school with a solid plan for their future.

The What's Next Initiative is built on seven pillars: Academic Readiness, Post-Secondary Option Exploration, Health Education, Self-Discovery, Life Skills, Workforce Development & Preparation, and Motivation. Teens who join What's Next are identified as at-promise youth who need more resources and encouragement so they may achieve self-efficacy and open their minds to planning for their future.

> *I want to make sure that what I plan to do after high school is achieveable.*
>
> *– What's Next Member*

Community
OUTREACH

BGCH collaborated with community partners to utilize Clubhouses as distribution centers, providing food and much-needed supplies to families within the community.

As an active member of the Ewa Beach community, my involvement in the food drives organized by the Hale Pono Boys & Girls Club & the Hawaii Foodbank, holds a special place in my heart. Being part of this initiative is more than just a charitable act—it's a testament to the transformative impact the Club has on our community. Through these food drives, the Club not only addresses immediate needs but also nurtures a sense of belonging and support among us".

-Ewa Beach Community Volunteer

Partnership HIGHLIGHT

Panda Cares Center of Hope

In a remarkable collaboration with Boys & Girls Clubs of America, Panda Express unveiled its latest initiative: the Panda Cares Center of Hope, at the Boys & Girls Club of Hawaii, Spalding Honolulu Clubhouse. On December 9, 2022, this venture marked a significant stride towards enhancing educational opportunities and nurturing the growth of Hawaii's youth.
The Panda Cares Center of Hope is a newly renovated space in our Spalding Clubhouse. Its main goal is to bring more happiness, education, and important social-emotional development to our local communities.

At its heart, the Project Learn initiative ties together the essence of each Center of Hope, offering a comprehensive strategy to improve what young minds learn during their regular school hours. At the same time, it introduces them to experiences that encourage a genuine love for learning.

The program's core is focused on social and emotional development, based on research showing that students perform better in school when they engage in enjoyable and educational activities during their free time. Our Panda Cares Center of Hope has been carefully designed to meet the specific needs of our Club members. It's meant to be a welcoming place for young people to learn, get involved, and grow in a supportive environment.

REPRESENTED BY THE KUKUI (CANDLENUT) TREE

Mahalo
TO OUR SUPPORTERS

Thousands of people, businesses, volunteers, and foundations make our work possible. Although it would be impossible to list them all in this report, we would like to acknowledge our top financial donors who made a true impact this year in the lives of our youth. This list does not contain auction purchases.

La'akea

When the oil from the kukui nut is lit, it provides a source of light. This light symbolizes the potential of each of our youth.
