Our Mission

The mission of Boys & Girls Club of Hawaii is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

The after-school hours have become a critical time for youth – a time when many children in our communities are left to fend for themselves without positive adult supervision. We provide a safe place filled with hope and opportunity, ongoing relationships with caring adult mentors, and enriching programs.

Our Vision

Our vision is to provide a world class Club-Experience that assures success is within reach of every young person who walks through our doors, with all members on track to graduate from high school with a plan for the future and demonstrating good character and citizenship while living a healthy lifestyle.

Aloha Valued Supporters and Beloved Community,

As we reflect on 2023, I am filled with gratitude for the continued support of our donors, partners, and community members who make our mission possible. The Boys & Girls Club of Hawaii remains dedicated to providing a safe, nurturing environment where thousands of keiki and teens can discover their potential, build confidence, and create bright futures.

This year, we embraced Akahai as our guiding word—a value that goes beyond gentleness to encompass true kindness. Pilahi Pākī taught Pono Shim that Akahai means to give the best of ourselves without expectation of anything in return, and to always leave things better than we find them. As we invest in the lives of our youth, we also recognize the importance of looking inward, loving ourselves so that we can fully love others, accepting ourselves so that we can be more accepting, and practicing kindness within so that we can share it abundantly.

Through this lens, we expanded our programs to meet the growing needs of our Club members, ensuring access to academic support, career development, and mental wellness resources. We remain focused in addressing the challenges facing our communities, from food insecurity to the rise in violence, by providing solutions that empower and uplift.

None of this would be possible without you. Your generosity fuels life changing opportunities and ensures that every child who walks through our doors has the chance to succeed.

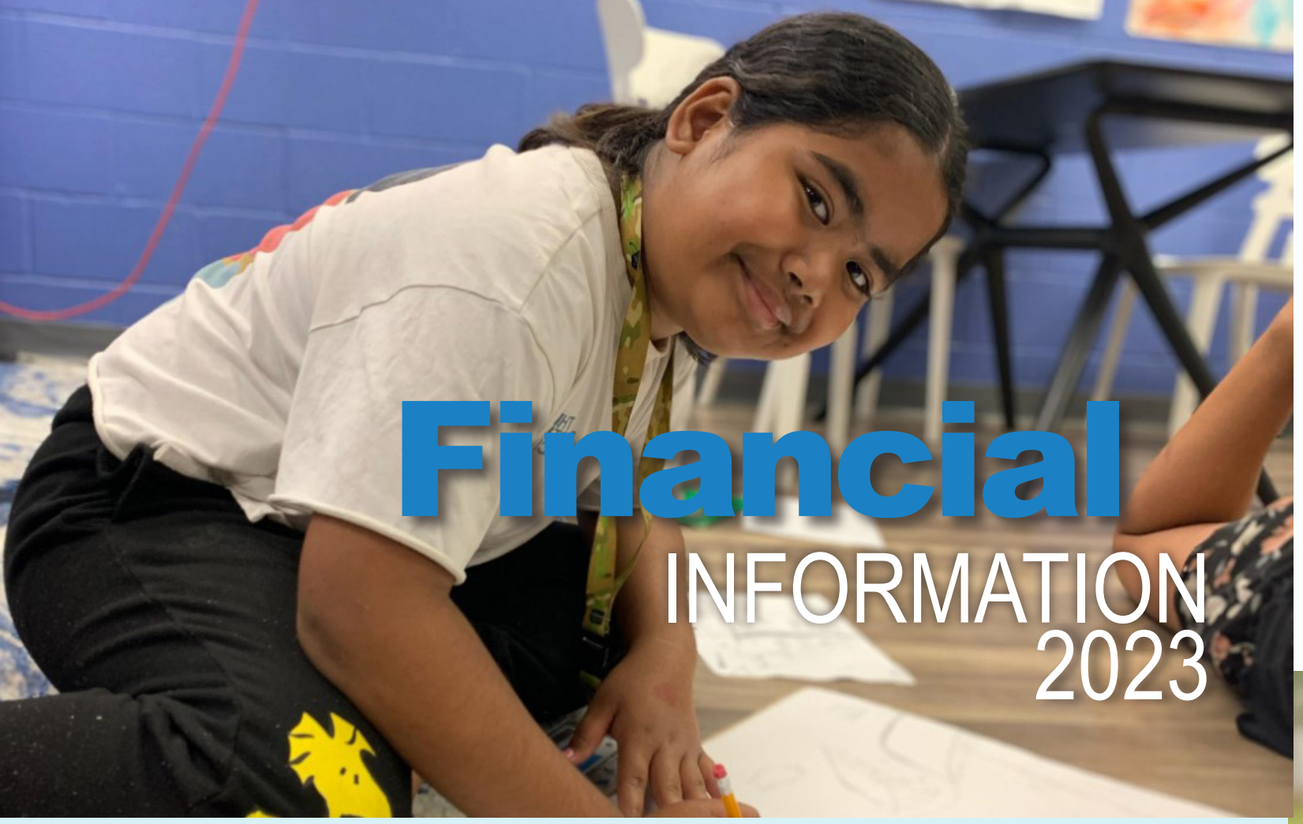

Mahalo for believing in the power of our youth and for standing alongside us in this important work. Let us continue to lead with Akahai—for ourselves, for our keiki, and for the future we are building together.

With deep appreciation and Aloha,

Paddy Kauhane

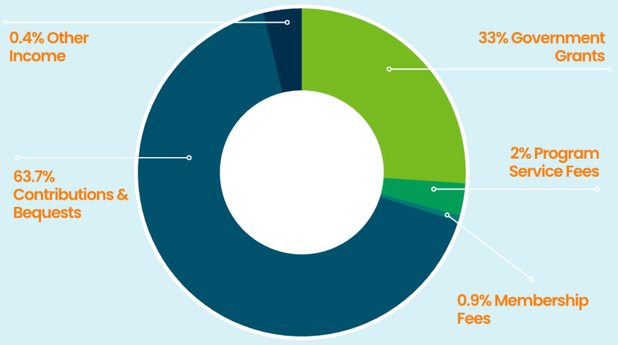

Paddy Kauhane
President & CEO
Boys & Girls Club of Hawaii

96% of Club teens say their Club contributed to the person they are today

94% of Club kids say they feel safe at the Club

96% of Club kids enjoy coming to the Club

ADDITIONALLY

2,948 youth enrolled in a BGCH Clubhouse in 2022

6,578 additional youth served through outreach programs

$25 is the cost of annual membership for under 12

$10 is the cost of annual membership teens

$2000 is the minimum cost of providing services to one youth for a year

120,384 meals and snacks distributed

Club PROGRAMS

We focus on five essential program areas:

Character & Leadership Development

Club members have the opportunity to develop leadership skills in many ways, such as serving as a junior leader, peer mentor, committee officer, or working with adults in the community to give back.

Members are invited to participate in the Torch Club, Leaders-In-Training, and the Youth of the Year Program.

Education & Career Development

Our skilled and caring staff provide the guidance and encouragement that young people need to graduate from high school with a plan for the future.

Some of the key program offerings include: Project Learn, Power Hour (homework support), Tutoring, STEM Enrichment, Money Matters, and College Prep.

Health & Life Skills

Every day at the Club, we provide fun engaging fitness activities, and competitive sports to get Club members excited about leading a healthy lifestyle.

Sports, Fitness, & Recreation

All year long, Club members can participate in a wide variety of sports, including basketball, volleyball, soccer, baseball, flag football, and more.

Arts & Culture

Members engage in a wide variety of arts-based activities from music and dance, to visual arts and creative writing.

Each Club has space for visual, performing and music arts where children are encouraged to express themselves, develop new skills and talents, and expand their individual creativity.

At our Clubs, we provide high-quality programs and support services that allow Club members to leave us at age 18 "ready for life".

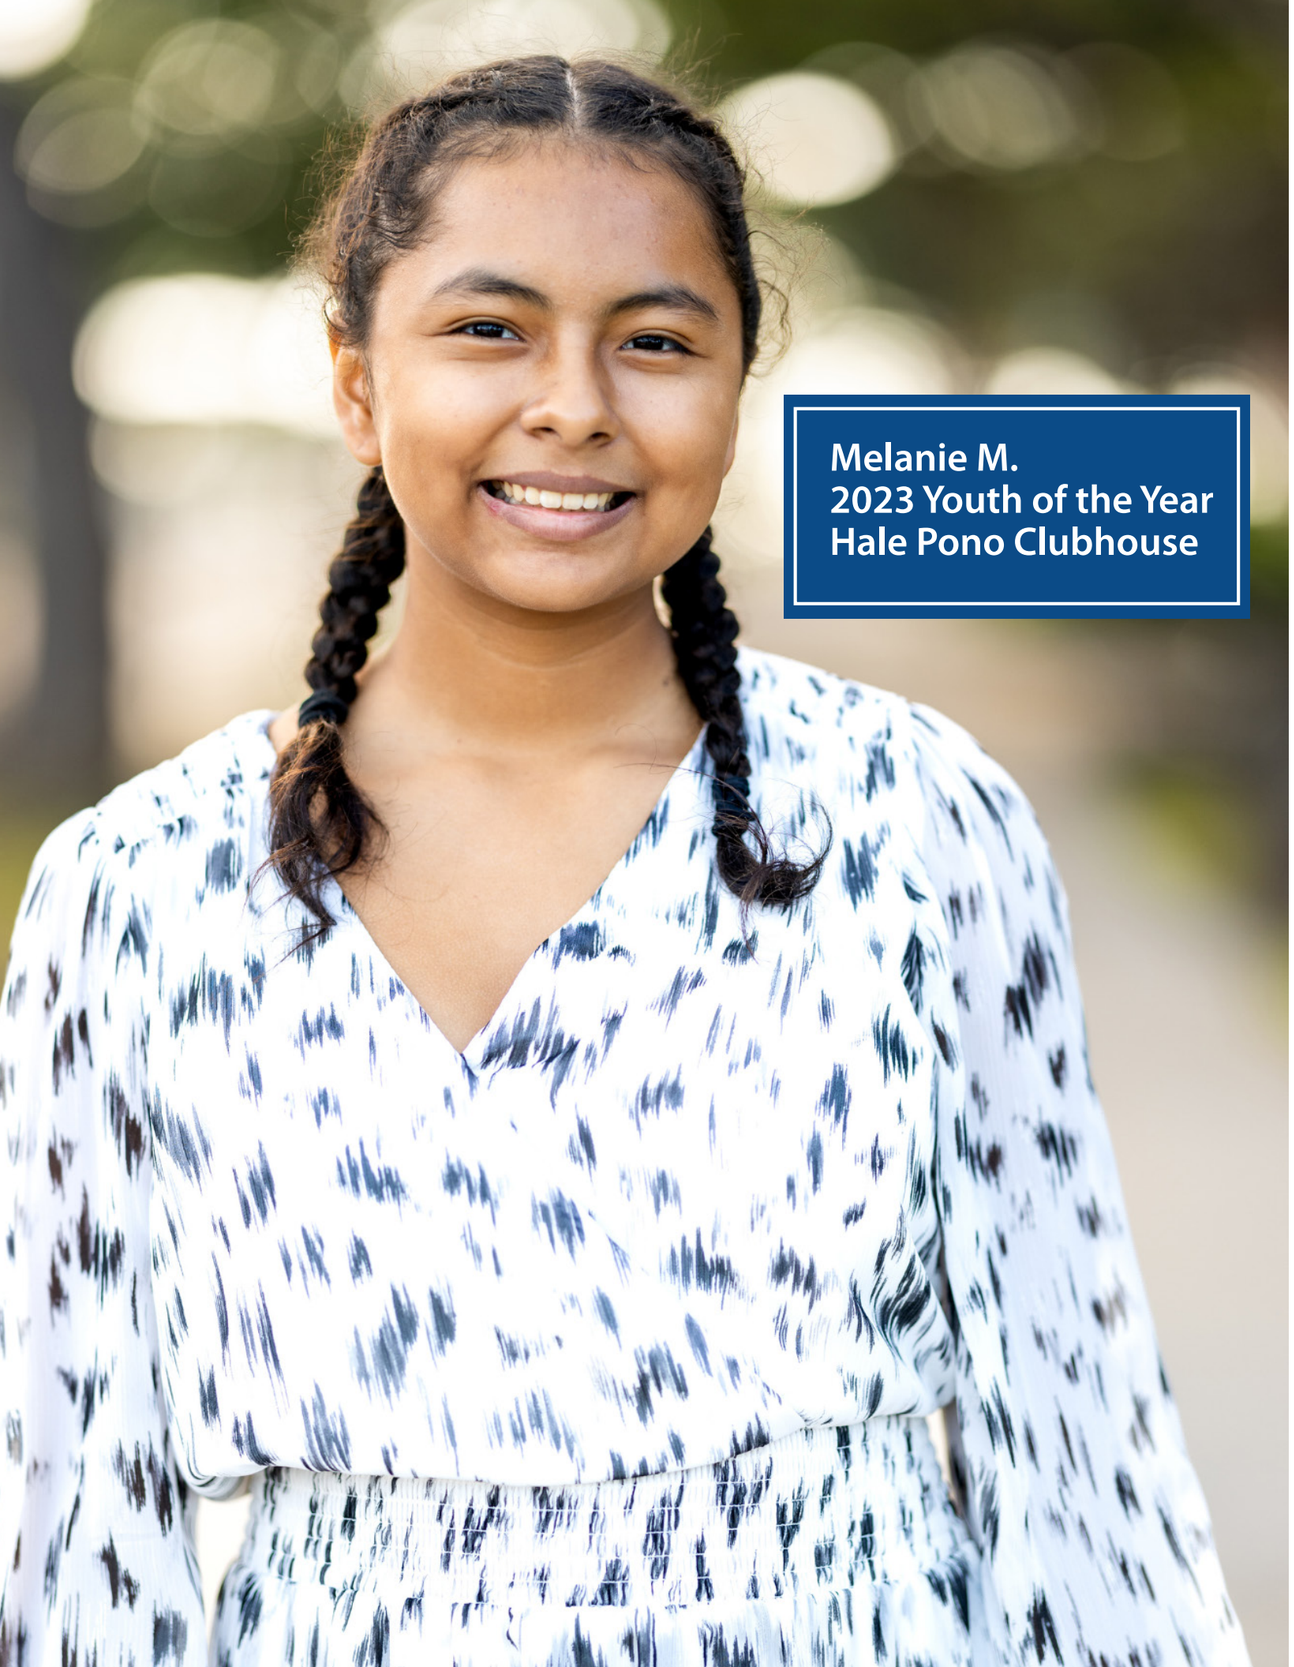

I participated in Torch Club & Mentoring and through both of those programs, I was super grateful to just have someone to talk to".

-Clubhouse Member

Youth of the Year

Today's youth face significant challenges as they plan for their future, especially with the increasing costs of higher education. At Boys & Girls Club of Hawaii, we believe every child deserves the chance to succeed. For nearly 80 years, Youth of the Year has been the Boys & Girls Clubs of America's premier recognition program, honoring exceptional teens aged 14-17 for their leadership, academic achievements, and commitment to their Club and community.
Participants in this program embody the transformative power of the Club, showcasing how its programs inspire confident, driven young leaders who demonstrate that great futures truly begin at the Boys & Girls Club of Hawaii.

Isabella, 2022 Hawaii State Youth of the Year
Charles C. Spalding Honolulu Clubhouse

Isabella is currently a Freshman at Chapman University studying Broadcast Journalism and Documentary. In her free time, she coaches youth basketball and is engaging with Boys & Girls Clubs in Orange County for participation in sports.

Bryden, 2017 Hawaii State Youth of the Year
Lihue Clubhouse

Bryden is currently studying Hospitality Management at the University of Nevada, Las Vegas. He is the President of the school's `Ewalu Club and is making a strong effort to engage in volunteer work in his community.

Jasmine, 2015 Youth of the Year Finalist
Charles C. Spalding Honolulu Clubhouse

Jasmine graduated Saint Mary's College in 2021 with a degree in Business Management, and is currently a case manager at Good-will Hawaii. Jasmine visits Hope Services monthly to offer Career and Youth Services to the homeless population in our communities.

Leaders In Training (LIT) PROGRAM

The Leaders In Training (LIT) program equips our teens with real-world leadership development through hands-on experiences that build essential skills in communication, teamwork, responsibility, and service.
More than just a program, LIT empowers youth to step into leadership roles, make meaningful contributions to their communities, and grow into confident, capable young adults. Through this experience, teens gain the tools and mindset to succeed not only in the Club, but in life.

Five Leaders In Training (LIT) members from three Clubhouses had the incredible opportunity to attend the LIT Big Bear Summer Camp, an unforgettable experience that marked several “firsts” for our teens. For many, it was their first time traveling without their parents, and for two, it was their very first time on an airplane.

During the trip, the teens toured college campuses, sparking excitement and new aspirations. Two of the teens are now planning to pursue college away from home, and one shared a strong desire to attend the University of Redlands.

At camp, our teens stepped far outside their comfort zones taking part in skits, singing songs, and building new friendships. It was a moment of pride when, for the first time ever, our teens received camp awards: one was honored for breaking out of her shell, and another recognized as a social butterfly.

The experience was truly transformative. The teens returned to Hawaii inspired, confident, and eager to attend again next year. The trip not only created lasting memories, but it also ignited a passion for higher education and personal growth.

Boys & Girls Club of Hawaii

REPRESENTED BY THE KUKUI (CANDLENUT) TREE

Mahalo
TO OUR SUPPORTERS

Thousands of people, businesses, volunteers, and foundations make our work possible. Although it would be impossible to list them all in this report, we would like to acknowledge our top financial donors who made a true impact this year in the lives of our youth. This list does not contain in-kind support.

La'akea

When the oil from the kukui nut is lit, it provides a source of light. This light symbolizes the potential of each of our youth.
